

Національний університет «Одеська політехніка»

Odesa Polytechnic National University

Українсько-німецький факультет

Ukrainian-German Faculty

(founded in 2000)

Structure of the faculty

Foreign Languages Department

Department of German Language and Translation

Department of English Philology and Translation Studies

Department of Hoisting and Conveying Machines and Robotics
Equipment

Our faculty provides training for specialists in the following specialties

Bachelor ▪ Educational and professional program 035 Philology

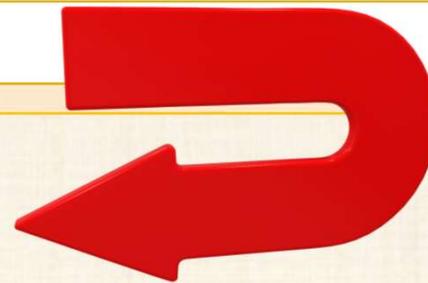

Bachelor ▪ Educational and professional program 131 Applied mechanics

Master's ▪ Educational and professional program 131 Applied mechanics

Bachelor ▪ Educational and professional program 133 Industrial machinery engineering

Master's ▪ Educational and professional program 133 Industrial machinery engineering

+ all the specialties taught at the University

Educational specialties

- 022 Design
- 029 Information, library and archival studies
- 032 History and archeology
- 033 Philosophy
- 034 Cultural studies
- 051 Economics
- 053 Psychology
- 061 Journalism
- 071 Accounting and taxation
- 072 Finance, banking, insurance and stock market
- 073 Management
- 075 Marketing
- 076 Business and trade
- 104 Physics and astronomy
- 113 Applied mathematics
- 121 Software engineering
- 122 Computer Sciences
- 123 Computer engineering
- 125 Cyber security and information protection
- 126 Information systems and technologies
- 132 Materials Sciences
- 136 Metallurgy
- 141 Electrical energetics, electrical engineering and electromechanics
- 143 Nuclear power engineering
- 144 Thermal power engineering
- 151 Automation and computer integrated technologies
- 152 Metrology and information measuring technology
- 161 Chemical technology and engineering
- 163 Biomedical engineering
- 171 Electronics
- 172 Electronic communications and radio engineering
- 174 Automation, computer-integrated technologies and robotics
- 175 Information and measurement technologies

- 281 Public administration and administration
- 291 International relations, public communications and regional studios

As a part of the ever-expanding cooperation, agreements were concluded with universities in Germany and Austria

- Otto von Guericke University Magdeburg
- The University of Regensburg
- Augsburg University of Applied Sciences
- University of Stuttgart
- University of Applied Sciences Düsseldorf
- Berlin Institute of Technology and Economics
- University of Applied Sciences Erfurt
- Kaiserslautern University of Applied Sciences
- Vienna University of Technology

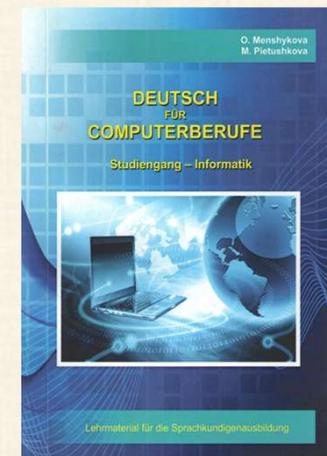

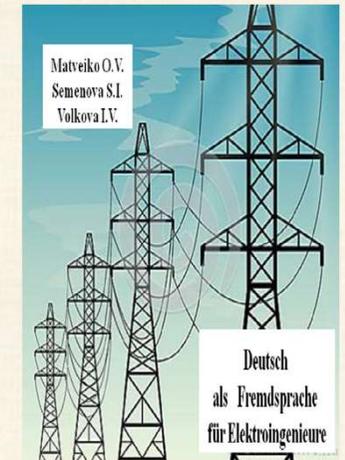

Practice at the Anhalt University of Applied Sciences

Department of German Language and Translation

- The quality of professionally oriented German language training is provided by experienced teachers of the department of German Language and Translation, as well as DAAD lecturers.
- The students study German for 4 or 5 years.
- The high level of training of specialists at the department of "Germanic languages and translation", allowed it to obtain a license from the TestDaF institute (Bochum, Germany) and the Austrian Linguistic Center ÖSD (Vienna, Austria) on conducting an exam in German in Odesa city.

OUR MISSION

providing students with knowledge and skills to ensure
competitiveness in the labour market and obtaining
competences corresponding to the level of the best European
universities

Thank
you!

Thank you for your attention!

Best regards,
Ukrainian-German Faculty
