- interactive and students-centered teaching

SPIN-OFFS OF THE PROJECT

Kick-off meeting of the working group

- Working Group of the Digital Competence development
- Open course on the wbmoodle platform with best practice in digital education

CHALLENGES, IMPACT IN THE REGION, POTENTIAL FOR FURTHER DEVELOPMENT

- Digitization one of the key elements for internationalization and modernization
- when dealing with work → significantly more areas that should be included
- due to Covid, strong digital movement at our HSWT with many additional digitization ideas, additions and implementations → very interesting!
- Digitization – for modernization and practical orientation
- Inclusion of other agricultural universities and colleges → go into the area...

FOLLOW UP DAAD PROJECTS

Weidenbach-Triesdorf – Digitale Kooperation bietet die Hochschule Weihenstephan-Triesdorf (HSWT) ihren ukrainischen Partnerhochschulen in [Sumy](#), [Mykolajew](#), [Kiew](#) und [Rivne](#). „Wir gründen ein 'Digitales Ukraine Zentrum' und errichten damit eine Kommunikationsbrücke. Zugleich ermöglichen wir ukrainischen Studierenden, ihr Studium online fortzusetzen“, erläuterte Hochschulpräsident Eric Veulliet.

Vizepräsident Ralf Schlauderer, der die seit über 30 Jahren bestehende Partnerschaft zu ukrainischen Hochschulen koordiniert, stellt fest: „Der Krieg in der Ukraine erfordert neue Formen der Zusammenarbeit. Deshalb wurde am Campus Triesdorf in Zusammenarbeit mit Larysa Kalachevska, der Leiterin des International Office der Agraruniversität

Thank you

for your attention!

...and DAAD for Support!!
