

**TARAS SHEVCHENKO NATIONAL  
UNIVERSITY OF KYIV:  
STUDENTS' EXCHANGE  
AND RESEARCH COOPERATION**

Ukrainian-Bavarian Higher Education Day  
Würzburg, 2018

# Taras Shevchenko National University of Kyiv

## Structure

- 13 Faculties
  - 7 Institutes
  - 2 Colleges
  - 2 Educational and scientific centers
  - 1 Lyceum
- 
- 53 specialties
  - 287 educational programs
  - 26.500 students (1.130 foreign students)
  - 2.782 Lecturers
  - 633 Drs. Sci.
  - 1.727 PhDs

# Faculty of Computer Science and Cybernetics

- **9 Departments,**
- **6 Research Laboratories,**
- **1.200 students**

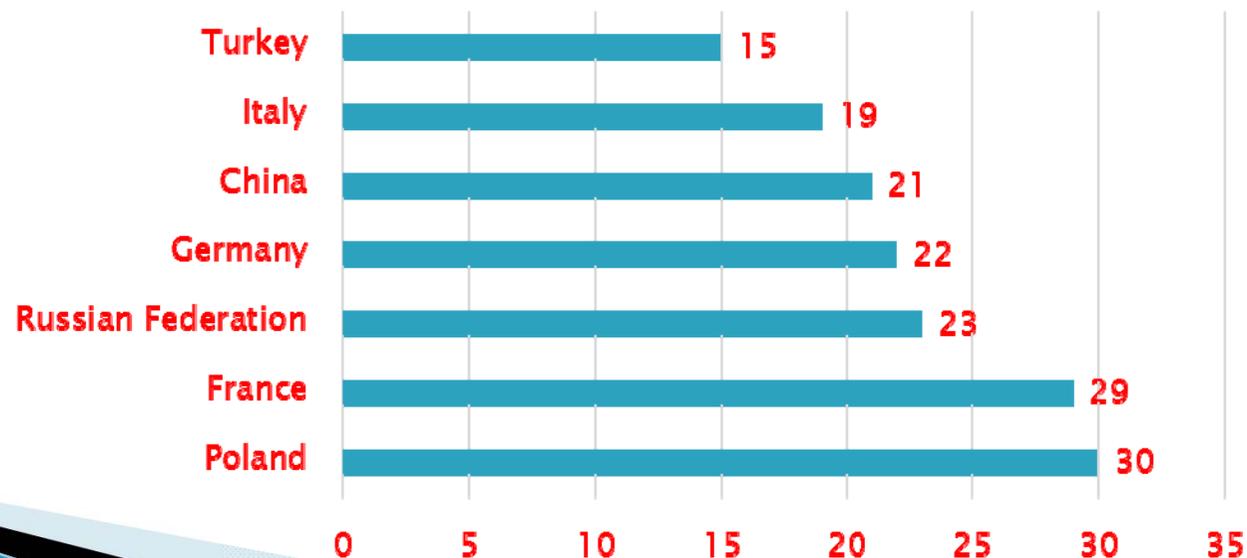

- **104 Lecturers,**
- **51 Researchers,**
- **35 Drs. Sci.,**
- **87 PhDs**

# International Work at TSNUK

- ▶ More than 324 Partnership Agreements with various universities and organizations from 66 countries all over the world.

TSNUK has the largest number of Cooperation Agreements with such countries:

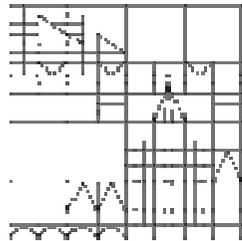

# COOPERATION WITH GERMANY

Germany is one of the largest contributors with 22 Cooperation Agreements.

4 German universities are the partners of TSNUK with ERAZMUS+ Program.

Universität  
Konstanz

UNIVERSITÄT  
LEIPZIG

HUMBOLDT-UNIVERSITÄT ZU BERLIN

# Taras Shevchenko National University of Kyiv and Bavarian Universities

Ludvig-Maximilians Universität München

Universität Regensburg

Universität Passau

Julius-Maximilian Würzburg Universität

Universität Regensburg

# 2017-2019 Students' Exchange Program in Math with Julius-Maximilian Würzburg Universität

**23** students of **Mechanics and Mathematics Faculty** and **Faculty of Computer Science and Cybernetics** were guest students at **Julius-Maximilian Würzburg Universität**

**Supervisor:** Prof. Dr. Sergey Dashkovskiy,  
Institute of Mathematics, JMU

## Success factors of Ukrainian-German students' exchange

- the activity of our students;
- the competitiveness of higher education in Germany and Ukraine

## Challenges in Ukrainian-German collaboration

- the desire of the staff to participate in international projects;
- knowledge of foreign languages (especially English)

## Solutions that were found

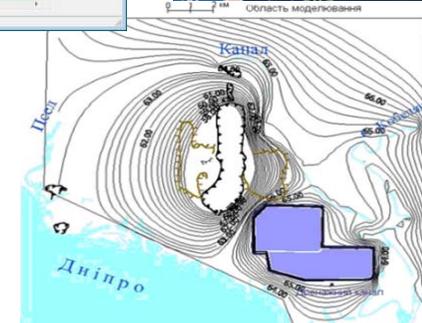

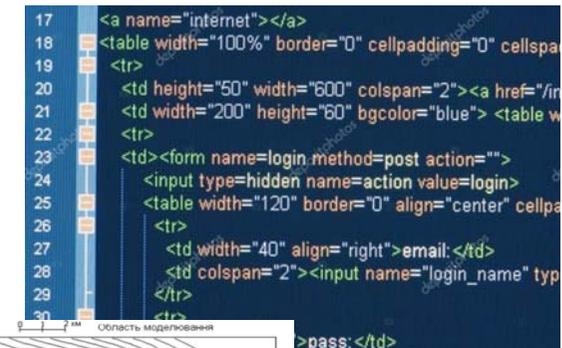

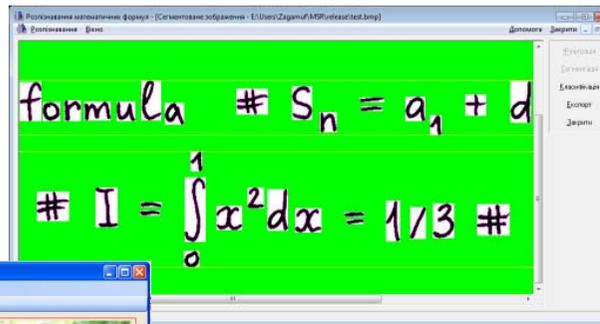

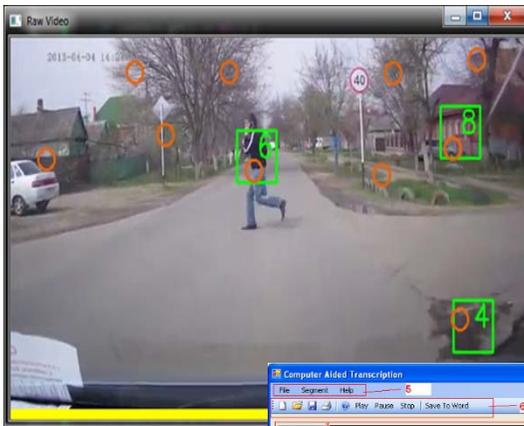

- the establishment of department of international cooperation and academic mobility department;
- financial support for lecturers with language certificates

# R&D Activity of the Faculty of Computer Science and Cybernetics

## Applied Math, Software Development, Computer Science, Artificial Intelligence

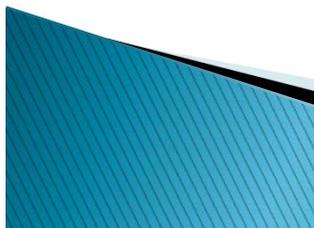

# CONCLUSIONS

We have experience in education, research, international work. And we are open for cooperation in all these areas.
