

# My stay in Regensburg

Ryosuke Kojima

# Regensburg's scenery

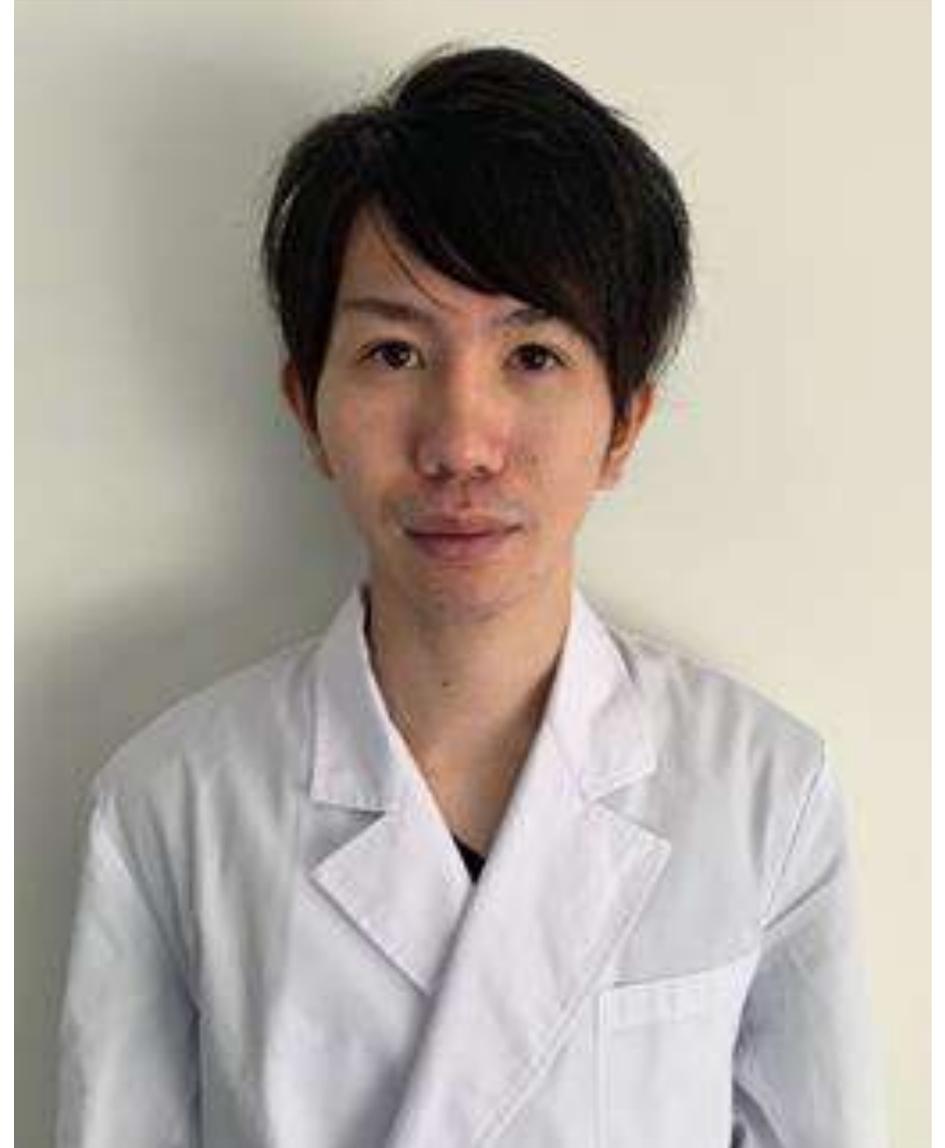

**Stone Bridge**

**Regensburg Cathedral**

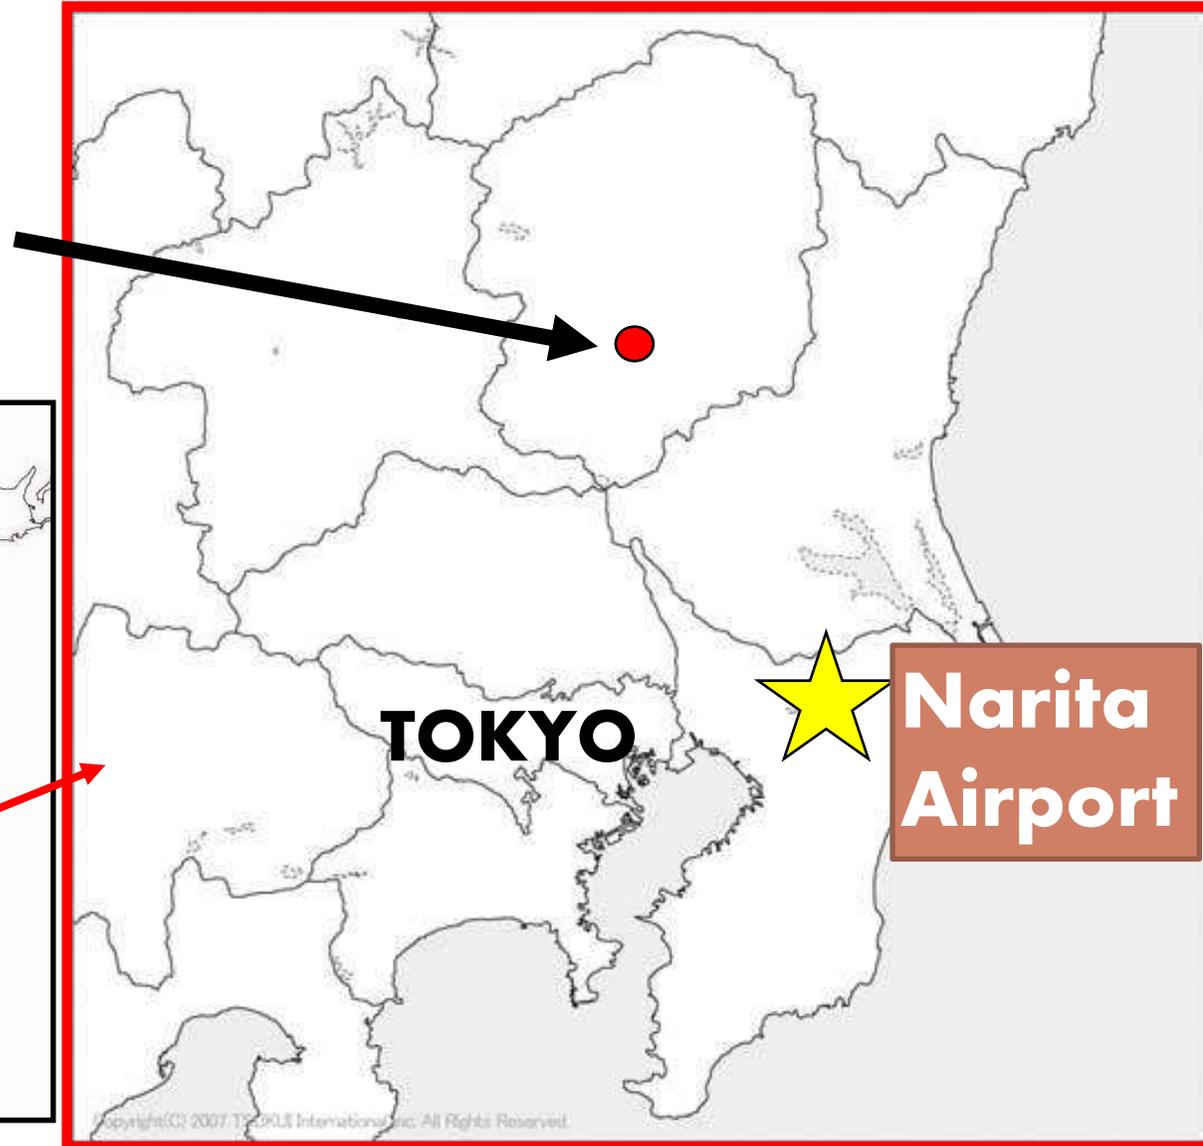

# About me

- Ryosuke Kojima
- from Japan
- fourth year student  
studying medicine  
at Dokkyo Medical University

# Location of Dokkyo Medical University

**Dokkyo  
Medical  
University**

# Dokkyo Medical University

# Purpose of visit Regensburg

---

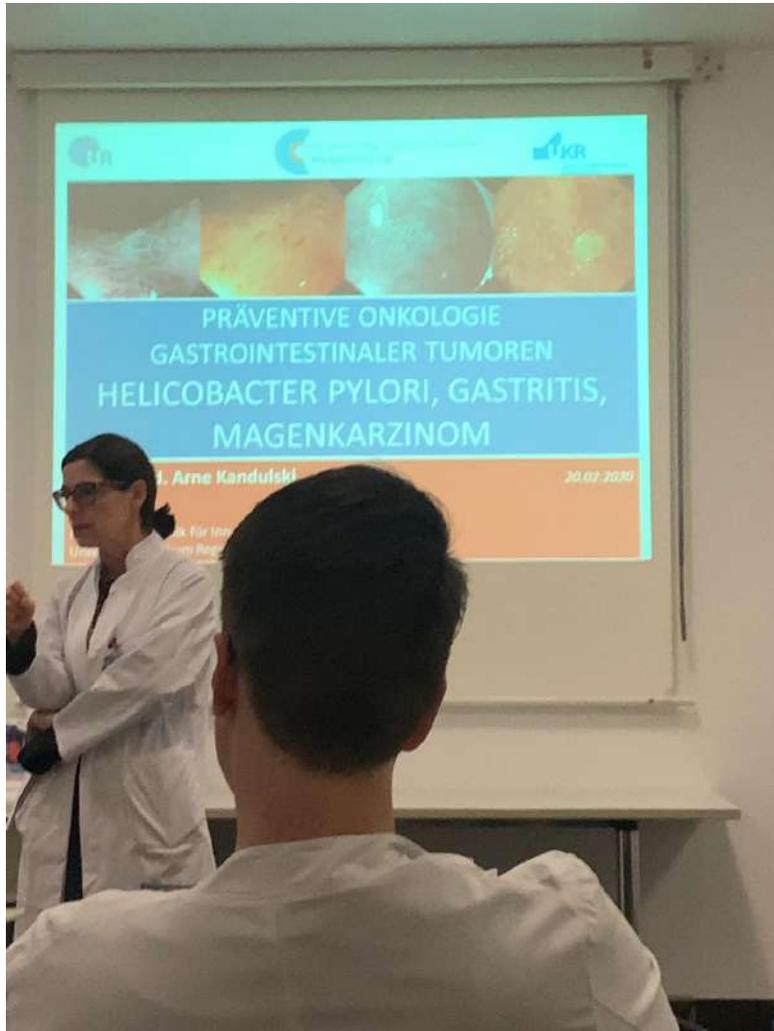

→ To study medicine!

I visited the University Hospital  
Regensburg

# University Hospital Regensburg

# Activities

Listening to a lecture

Endoscopy

# Activities

Practicing venipuncture

Draining ascites

# Activities

Joining tracheotomy

Trying to draw blood

# What I learned at the hospital?

- Regensburg's doctors are kind and work hard
- I could acquire practical skills
- Although countries are different, medicine unites

# Social activities

---

# German food

# Chatting with doctors

# Travelling in Bavaria

Munich

Schloss Neuschwanstein

# Acknowledgements

---

I thank Professor Martina Müller-Schilling for inviting me and highly appreciate the kindness of the people in Regensburg who have taken care of me.

I also wish to extend my deep gratitude to Professors Michiaki Masuda and Wolfgang R. Ade for facilitating my visit to Germany.

# Danke schön!

---

ありがとうございました！
