

A panoramic view of a winter landscape. The foreground is dominated by numerous evergreen trees heavily laden with snow, their branches creating a textured, white canopy. The ground is also covered in a thick layer of snow. In the middle ground, a valley opens up, showing a dense forest of evergreens. In the distance, a town or village is visible, nestled in a valley. The background features rolling hills and mountains under a clear, bright sky. The overall scene is serene and picturesque, capturing the beauty of a winter retreat.

**Invitation to
GRK Weekend Retreat 2018
02.02.-04.02.2018
in Lohberg**
